

LWW Health Library: Advanced Practice Nursing

Students in advanced practice nursing programs—and the faculty who teach them—need materials focused on the specific skills required to meet clinical requirements and pass certification exams with confidence. Advanced practice nurses always need access to techniques and concepts on the ward, at the bedside, in any clinical setting. This unique digital library is perfect for both, providing interactive access and simple search capabilities to essentials texts, as well as rich multimedia, including audio, videos, real-life case studies, an integrated journal feed, and self-assessment Q&A banks.

Integrated Digital Resources for MSNs, NPs, and DNPs

Provide single-click access to competency-based content for students working toward certification and nurses already in practice.

Why LWW Health Library: Advanced Practice Nursing?

- Helps with certification exam preparation
- Ideal for use in distance-learning MSN and DNP programs
- Allows nursing faculty to curate content and develop curriculum frameworks as they see fit

Key Features:

- Award-winning eTextbooks from Lippincott, a pioneer in medical publishing, integrated with case studies and other audio and visual tools
- Sophisticated semantic searching and user-friendly navigation to help users find information fast
- Print and share book chapters with colleagues via email and social media
- NEW! Quizzing, which allows users to create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation
- Personal accounts allowing for personalization such as quizzing, saved searches, content alerts, robust printing capability, seamless off-site access, and more
- Optimized for desktops, laptops, tablets, and smartphones via web browser
