

LWW Health Library: Family Medicine

Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia and imagery, real-life case studies, and quizzes.

LWW Health Library: Family Medicine supports students and residents in Family Medicine with a comprehensive and integrated set of content. All the core sub-specialties required for master in a curriculum are covered, making the product applicable for all core rotations, for rounds, Board prep, and exam prep.

**Unique and Timesaving
Online Learning Package
for Students, Residents,
and Fellows**

LWW Health Library: Family Medicine

Features:

- 35 Lippincott® textbooks covering core topics and subspecialties
- Roughly 300 videos, covering procedures and topics such as ultrasound, emergency medicine, orthopedics diagnosis, among others
- Nearly 3,900 self-assessment questions
- Key textbooks include: *Pocket Primary Care*, *The 5-Minute Pediatric Consult*, *Briggs Drugs in Pregnancy and Lactation*, and *Washington Manual of Medical Therapeutics*

Key Features of Every LWW Health Library

- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing/Self-Assessment:** Create custom quizzes organized by topic, keep track of responses, and link to specific textbook content to help with remediation (subscription model only)
- **Ovid MEDLINE® widget:** Instantly access primary literature from MEDLINE®; results include article previews
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource
- **Responsive design:** Browse content on your computer, tablet or smartphone with ease
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give residents control over their progress and motivation to learn
- **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print
- **Multimedia:** Access videos, images, Q&A, patient education handouts, and more
