

LWW Health Library CIENCIAS BÁSICAS

Why LWW Health Library?

LWW Health Library delivers trusted medical and health science education and clinical content directly to students, faculty, and staff through a single portal—providing interactive online access to essential textbooks, procedure videos, images, real-life case studies and quiz banks specifically tailored for the specialty. These resources are a must-have for educational programs and hospitals—ensuring you have what you need to support foundational learning and clinical practice.

LWW Health Library CIENCIAS BÁSICAS is a medical education digital platform for Spanish-speaking medical and health sciences students designed to teach biomedical foundations and critical thinking skills.

**Book/Multimedia
Content Package to
Support Medical and
Health Science Students**

LWW Health Library CIENCIAS BÁSICAS includes:

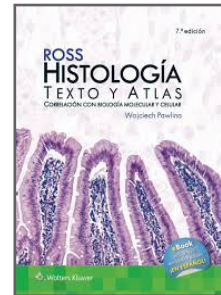

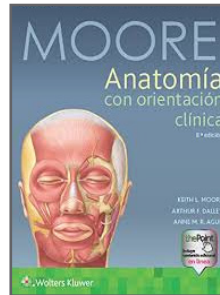

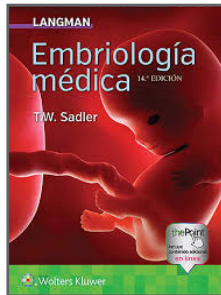

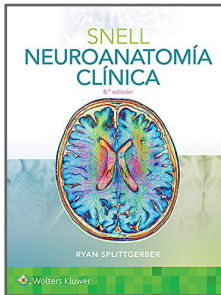

- 33 Spanish-language titles from LWW's world-class medical education portfolio for note taking or to print
- Key titles include Spanish-language versions of *Moore's Clinically Oriented Anatomy*; *Histology, A text and Atlas*; *Langman's Medical Embryology*; and *Snell's Clinical Neuroanatomy*
- Content updated regularly
- Over 6,000 multiple-choice questions and answers with links to topics within the textbook collection
- Over 130 videos and 28 audio files
- More than 340+ clinical cases to aid learning and prepare students for clinical practice
- Plus: PowerPoint lessons, additional chapters, images and more.

Key Features of LWW Health Libraries:

- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added
- **Quizzing:** Allows students to create custom quizzes organized by topic, keep track of responses and link to relevant content to help with remediation
- **Ovid Medline widget:** Connects students to valuable primary literature with an exclusive Ovid Medline search widget, which returns targeted results and article previews
- **Advanced semantic search:** Guides users to results displayed by title, chapter, topic, and/or type of resource
- **Responsive Design:** Browse content on your computer, tablet or smartphone with ease
- **Print/save a chapter:** Users are able to download chapters via pdf, for easy access to content when offline – for note taking or to print
- **Multimedia ancillary content:** Access videos, images, Q & A, patient education handouts, and more
- **Mobile optimized:** Browse content on your computer, tablet, or smartphone with ease.

LWW Health Library CIENCIAS BÁSICAS
